Subject line: Have you heard about PATH?

Hi friends,

I want to introduce you to PATH (People Assisting The Homeless). PATH's mission is to end homelessness for individuals, families, and communities. Since 2013, PATH has helped more than 7,500 people move off the streets and into permanent homes.

I'm joining PATH's Making It Home campaign, an effort to move people out of homelessness and into their own homes by filling crucial funding gaps. You can join the movement at [www.makingithome.org](http://www.makingithome.org) or you can help me in my efforts to raise \$1,000 (or more) to help an individual Make It Home.
